

Collecting Boxes Fundraiser Agreement

Thank you for offering to help AVERT with the use of our collecting boxes.

Before we are able to send any collecting boxes to you I would be grateful if you and another person (e.g. a treasurer) could complete, sign and return the following.

Legal Requirements

The collecting boxes are supplied on the basis that they are used on private property. If they are to be used for a collection in a public place then application for permission needs to be made.

This can be obtained by the authorised collecting box holder from their Local Town Hall or Police.

The collecting boxes are supplied with 'tamper-proof' seals, which can be broken once the box-holder considers it necessary to empty the contents. This emptying should take place in the presence of two people and the contents sent to AVERT immediately. Further instructions will be supplied with the collecting tins.
